

High Five

By Patricia J. Murphy
Art by Maria Maddocks

Raise a hand,
Raise it high,
Spread your fingers,
Tap high five!

Give it high....
Give it low....

Give it
everywhere you go!

From your pinkies
To your thumbs,
Let your fingers
Have some fun.

With high fives
You can say
Hi!
Hello!
Hip, hip, hooray!

There are five candles
on the cake.
What other groups of
five can you find?
